Alumni Band Sponsorship Packet

Who we are

The PLD High School Band Alumni Members are comprised of past students who were involved in the marching band, jazz band, concert band, color guard, and winter guard programs during their years attending Dunbar High School.

As part of the Dunbar band and color guard programs in the past you know first-hand what dedication it takes to continue to be one of the States preeminent programs year after year. Not only are the individual band and guard members asked to be dedicated but the families of those students are as well.

Each year increasing expenses continue to make it a challenge to continue offering this great program and because of that we are asking for Alumni help. Wouldn't it be great to show the students this year just how much you recognize their hard work and at the same time know that you are supporting a great tradition!

Every dollar counts and whether you are able to give \$1, \$5, \$10 or more the band will surely appreciate it!

Remember the laughs shared during dinners at competitions? How about sponsoring a band member's meal?

All those hours of practice! Remember that? What about being a water sponsor and donating bottles of water?

These are just a few ideas and we are open to any suggestions that you may have!

Programs on how you can be involved include the following.
