

2023 - 2024 Marching Band Contribution Form

To be completed by each band family

For the 2023-2024 year, we are asking band families for a suggested contribution of **\$700 per marching band student** to support the band program. In recognizing that not all families have the ability to pay the full amount, three tier levels have been created. Families can choose to contribute at any of these three levels (or beyond) and every student will receive the same exceptional band experience. Read more about the suggested contribution [here](#).
